Meet Your Instructors

Dr. Jimmy DeYoung

After completing his undergraduate studies Jimmy DeYoung began his ministry with Word of Life and its founder Jack Wyrzten.

Because of his background in radio, he eventually found his ministry turning toward broadcasting and journalism. He and his wife have spent 20 years in Israel as credentialed journalists while continuing their ministry to the Body of Christ both in Israel and back home in the USA. This

experience gave Dr. DeYoung a unique perspective on Biblical prophecy and led him to complete his PhD in Biblical prophecy at Louisiana Baptist University. He now speaks to thousands both here and abroad and has become recognized as perhaps the leading authority on Biblical prophecy both here at home and internationally.

Dave James is the Ministry Coordinator for The Alliance for Biblical Integrity. His undergraduate degree is in engineering from Rose-Hulman Institute of Technology and his masters is in Biblical Studies from Dallas Theological Seminary. He also holds a diploma in Biblical Studies from the Word of Life Bible Institute. He served with Word of Life Fellowship for 21 years, with 16 of those years as the Founding Director of the Word of Life Bible Institute in Hungary.
